Luton Airport by Train

A regular shuttle bus links the airport to Luton Airport Parkway train station in around eight minutes. From there, frequent rail services travel to Central London and take as little as 27 minutes with East Midlands Trains and 25 minutes with First Capital Connect. First Capital Connect services connect to stations including St Pancras International, Farringdon, London Bridge and Blackfriars in Central London. Trains run throughout the day and night. For more information, and details of fares, visit the National Rail Enquiries [website](#).

Travelling by Taxi

There are usually taxis queuing for customers at Luton airport. Only use a black cab or reputable mini-cab and never use unauthorised drivers. You can ask the driver for an estimate of how much your journey will cost beforehand.
